## **IMPORTANT SAFEGUARDS**

When using electrical appliances, basic safety precautions should always be followed, including the following:

1. Read all the instructions before use.
2. Do not touch hot surfaces. Use handles or knobs.
3. To avoid electrical shock, do not immerse the power cord, plug or connection box in water or other liquid.
4. Close supervision is necessary when any appliance is used or near children.
5. Unplug from outlet when not in use and before cleaning. Allow to cool before installing or removing parts, and before cleaning.
6. Do not operate any appliance with a damaged cord or plug or after appliance malfunctions, or after damage of any kind. Return appliance to the nearest authorized service facility for examination, repair or adjustment
7. The use of accessory attachments not recommended by the appliance manufacturer may cause injury.
8. Do not use outdoors.
9. Do not allow cord to hang over edge of table or counter. Do not allow cord to touch hot surfaces.
10. Do not place on or near a burner, or in a heated oven.
11. Extreme caution must be used when moving an appliance containing hot oil.
12. Always attach plug to appliance before plugging cord into the wall outlet. To disconnect, turn all controls to "OFF" then remove plug from the wall outlet
13. Do not use appliance other than for its intended use.
14. SAVE THESE INSTRUCTIONS.

## INTRODUCTION

The **SODIR Model # BAR-106** and **# BAR-206** countertop snack toasters offer speedy toasting and finishing. The units are designed for commercial applications, especially when small footprint is an issue. The snack toasters are constructed of stainless steel and are equipped with quartz heating elements, a 4-position switch, a 15-minute timer with hold position and a red pilot light. Model # BAR-106 comes with one wire rack, while # BAR-206 comes with two of wire racks. Each rack has a mounted-on door with a heat-resistant handle.

## SPECIFICATIONS

Model	Electrical	Plug Configuration
BAR106/1	120V, 1PH, 1.1KW, 10A	NEMA-5-15P
BAR106	208/240V, 1PH, 0.93KW, 4/5A	NEMA-6-15P
BAR206/1	120V, 1PH, 1.65KW, 14A	NEMA-5-15P
BAR206	208/240V, 1PH, 1.4KW.6/7A	NEMA-6-15P

## INSTALLATION

The SODIR snack toasters need to be connected to a grounded outlet of proper voltage (208/240V or 120V) depending on the model. DO NOT place the unit in a damp area or near steam source. Make sure that the back panel of the snack toaster is not blocked.

## OPERATION

The snack toasters are simple to operate. Turn the toaster on by rotating the switch to one of the three following positions: "ALL ELEMENTS ON", "TOP ELEMENTS ON", or "BOTTOM ELEMENTS ON". Turn the timer knob clockwise to select the desired time. By turning the timer knob to the "HOLD" position indicated by the marking "C" on the time dial, operate the unit in continuous mode. Put the product on the wire rack and slide the rack into the unit. Always use the drip tray.

The SODIR snack toasters can be used for a wide variety of foods. Cooking times will vary depending on food products and desired results.

## **CLEANING**

**WARNING:** Disconnect (unplug) electrical power supply before cleaning

**CAUTION:** Do not spray quartz heating elements with any liquid while they are hot

Cleaning is very important in maintaining a safe and well working machine. Allow the metal surfaces to cool down sufficiently in order to safely handle it. After the unit has cooled, remove the wire rack using the door handle and the drip tray. Clean these items in pot sink using standard cleaning detergents. The housing, heating elements and the back cover should be cleaned using a cloth lightly dampened with a clean soapy solution. Use a clean lint-free cloth to remove the excess water or soap.

**DO NOT** spray-the housing-with-any-Liquid

**DO NOT** wash the unit under running water

**DO NOT** allow water to drip into the housing around the electrical components

**DO NOT** spray hot elements with any liquid

Inspect all parts on a regular basis to ensure that all parts are in good working order. If a part is damaged, have the unit repaired by an authorized service agency prior to returning the unit to operation. If you have trouble locating a service agency in your area, call **EQUIPEX, LTD.** at 1-800-649-7885 and ask for customer service.

### **LIMITED WARRANTY**

Your new **EQUIPEX** product is warranted to the original purchaser for a period of one year from the date of purchase.

This limited warranty is against defects from original factory imperfections in material and/or workmanship and includes labor for replacement of defective parts, provided repairs are performed by an authorized service agency. Our obligation under this warranty is limited to repairing or replacing any part or parts thereof. The CUSTOMER must inform the Service Agency of warranty coverage and provide a copy of the dated sales or delivery receipt **BEFORE WARRANTY REPAIRS BEGIN**. Replacement parts and accessories are warranted for ninety (90) days from the date of purchase when purchased separately and will be verified by dated sales receipt or packing slip for that item. All parts or accessories replaced under warranty must be returned to the Service Agency.

This warranty applies only to equipment under normal use and service in the U.S.A. and Canada. It does not apply to any item which has been repaired or altered in any way so as, in the judgment of EQUIPEX, to affect its reliability.

### **THE FOLLOWING ARE NOT COVERED UNDER WARRANTY**

1. Damage caused by abuse, misuse, dropping or other similar incidental damage caused by or as a result of customer failure to follow assembly, operating, cleaning, user maintenance or storage instructions.
2. Labor to replace inoperative parts such as bulbs, plugs or racks due to normal use or abuse.
3. Materials or labor to repair scratched, stained, chipped, pitted, dented or discolored surfaces, attachments or accessories.
4. Transportation charges to or from a service agency for repair of your machine. If you should have questions relating to this issue, please call the factory at 1-800-649-7885.
5. Labor charges to install or test attachments or accessories, which are replaced for any reason.
6. **SHIPPING DAMAGES.** Visible and hidden damages are the responsibility of the freight carrier. The consignee must file the claim promptly against the carrier. **KEEP ALL ORIGINAL CONTAINERS AND PACKING MATERIALS FOR CARRIER INSPECTION.**
7. Products placed or stored in the equipment are not subject to this warranty and no responsibility is assumed thereof.

**THIS WARRANTY IS GIVEN EXPRESSLY AND IN LIEU OF ALL OTHER WARRANTIES, EXPRESSED OR IMPLIED, FOR MERCHANTABILITY AND FOR FITNESS TOWARD A PARTICULAR PURPOSE AND CONSTITUTES THE ONLY WARRANTY MADE BY EQUIPEX, LTD. IT NEITHER ASSUMES, NOR AUTHORIZES ANY PERSON TO ASSUME FOR US, ANY OTHER LIABILITY IN CONNECTION WITH THE SALE OF THE SUBJECT EQUIPMENT.**
